## Overview

Little Joe's was born out of a desire to offer Honolulu residents and visitors a cut-above steakhouse experience with an exceptional menu and outstanding service at a reasonable price. The new family-friendly relaxed fine dining concept features a classic American steakhouse menu, daily happy hour, and private dining. It delivers value for the entire family as well as a great spot for date nights, special occasions, and gatherings with friends. With the honor of the fast-growing popularity and success of the first location on Nimitz Highway, central O'ahu residents now can enjoy quality steaks, exquisite wines, hand-crafted cocktails, tasty sides and appetizers at the newest location at the Pearl Highlands Center.
